Dear Bob and Patrick,

Thank you for your recent gift of \$500.00 received on May 23, 2018 to the McLaren Northern Michigan Foundation in support of the Kathleen Jontz Breast Health Fund.

Kathleen's Fund has already made a profound impact on our patients and their families. Thanks to your donation, it will continue to save lives. Your gift will support women in northern Michigan by offsetting the costs of crucial diagnostic tests including mammograms, ultrasounds and biopsies. Additionally, the Kathleen Jontz Breast Health Fund supports breast health educational materials, mastectomy bras, camisole and food supplements, as well as gas cards to help with the expense of traveling to our hospital for care.

On behalf of the McLaren Northern Michigan Foundation and all of the women in northern Michigan who are unable to afford a mammogram, who require further diagnostic testing or who are currently in their fight against breast cancer, I sincerely thank you for your gift.

Warm regards,

Erinn M. Hill
Development Officer

Thank you for honoring women battling breast cancer this past Mother's Day at City Park Grill!
